Group Training Contract, Agreement, and Waiver

Enrollment

Once your completed class registration form and payment are received, you will be provided with a confirmation receipt. Full payment is required at the time of registration to reserve a space in the class. Reserved space in class may be cancelled if full payment is not received by 7 days prior to the start date.

VACCINATIONS

You must present proof of required vaccinations in order to participate. For puppy classes, pups must be 10 days past their first DHPP vaccination. For all other classes, current Rabies and Bordetella vaccinations are also required.

PRICING

Please see our website for details on pricing.

CANCELLATION

If the minimum enrollment for a class is not met 3 days prior to the first class session, the class will be cancelled and rescheduled. You will be contacted via telephone or e-mail to see if you would like to enroll in the rescheduled class, receive credit toward a future class, or receive a full refund.

REFUNDS

A full refund will be offered if we are notified at least 5 days prior to the start date of class. If a dog is unable to attend due to an injury or illness during enrollment, you will receive a 50% discount toward a future class. However, no refunds or discounts will be given after the third class session.

SPECIAL NOTE

For the protection of all participants in group classes, Freedom Tails reserves the right to decline entry to any dog who presents behavior issues that may be dangerous or disruptive to the class. Should the Trainer determine that a dog is not able to participate in the group class, you will be referred to a private consultation with an appropriately qualified trainer and given a full refund.

ATTENDANCE

Students enrolled in a group class will be required to attend the first class session. Students who miss the first class session without making prior arrangements do not qualify for a refund of class fees and may not be allowed to join the remaining sessions. If you miss any other session, please contact the trainer to discuss topics and homework. Make-up classes may be permitted and scheduled with the trainer.

CHILDREN IN CLASS

All family members are encouraged to attend group classes. To protect the safety of everyone in class, canines and humans alike, please follow the below guidelines:

- Children must be under parental control at all times.
- Parents must supervise their children during the entire class.
- No running or yelling will be permitted.

- Since not all dogs are comfortable around or friendly toward children, children should be instructed to never approach or pet any other dog in class without permission from the owner.

BRING TO CLASS

Please note:

- For your pet's safety, please bring your pet to class on leash and refrain from greeting other dogs unless otherwise instructed by the trainer.
- A flat collar, martingale collar, head halter, or harness is required.
- A non-retractable nylon or leather six-foot leash is required.
- Vaccination records, if not already provided to trainer.
- Please "empty-out" your canine before class and pick up after your pet in the class vicinity.
- Please bring plenty of your pup's kibble and favorite treats to class.

QUESTIONS?

If you have any questions prior to your first week in class, please contact Courtney Sanossian at 703-272-4312 or freedomtailsdt@gmail.com.

AGREEMENT

ACKNOWLEDGEMENT OF RISKS AND RESPONSIBILITIES

I, the undersigned, recognize that there is an inherent risk of injury or illness to both myself and my dog(s) in any environment associated with group training class. I also recognize that such risks include, without limitation, injuries or illness from fights, rough play, contagious diseases and/or unwanted pregnancies. Knowing these inherent risks and dangers, I warrant that I, or the owner for whom I am assigning as an adult guardian, will abide by all safety rules, vaccination requirements, and instructions. I agree by this contract to assume full responsibility and hold Freedom Tails, its officers, directors, agents, employees, volunteers and contractors, including but not limited to VCA Healthy PAWS Medical Center (collectively, "Releasees"), harmless for said pet(s) injury, death or damage as the result of any incident including my or other's negligence, except to the extent that the damage or injury may be due to willful misconduct of Releasees. I further agree to hold Releasees harmless and indemnify them against all damages, costs, fees and business losses resulting from any claim I make or cause to be made against Releasees for which they are not ultimately held to be legally responsible.

OWNER LIABILITY

I, the undersigned, expressly agree to be held responsible for any injury, expense, costs or damages, including but not limited to destruction of furniture, gates, walls, as well as any damage or injury inflicted upon another human or dog, arising out of my own actions or negligence or the actions of my dog.

Occasionally, the Freedom Tails team will photograph and/or film our training classes for promotional purposes. I understand that if I don't wish to be photographed or filmed, I should inform the instructor prior to class. I have read this fully and understand and agree to all of its terms.
